Fundraising and Entertainment Report – Adriana

(Report has been cut and pasted to these minutes)

Looked at the flyer for the BBQ Speaker Jam. We will make a couple of changes and then reshare with the group.

Bob is working on Speakers; Adriana has someone from Sedona that she will talk to Glen about a guy with 2 years who would be a good candidate.

We want to try to get people from Northern Arizona since that is the area tha Sedona serves.

Support for Events:

Adriana will work with the committee on people who can help with cooking and doing the event. Adriana is going next weekend to the Spot to check it out.

We need to find volunteers for these positions for both June & July:

- **MC** (Adriana)
- **Door Person**
- **Cooks** (two people)
- **Raffle Tickets**
- **Auctioneer** (Kevin or Annette)
- **Convention Registration** (Annette)
- **Setup** (Annette, Steve, Janet)
- **Cleanup**
- **Shopping and supplies**

- Need to see if Ray is coming with Petty Cash

- West Area is donating the grills and coolers

- Adriana will do the shopping

- Adriana will make table tents that are 2 sided (merch and registration for the tables)
- Annette will bring some of her auction items for this event.
- Annette will get the stuff from Mo's garage before the event and get those to Adriana.

Event coming up in May next event Mingus Pres church 7/20/24.

Welcoming and Information Joanne

Hi Barb -The only thing to report for this month is that I will meet up with one of my team members this Wednesday the 6th and we will go over any questions and concerns we have for our Welcome and Information committee. That's all. Glad to be a part of this team Barb. Looking forward to seeing you on the zoom meeting Saturday. In service, Joanne

Arts & Graphics Report – Annette B.

(Report has been cut and pasted to these minutes)

Good morning family!

Moving and shaking over here! We have the link to buy merch up on the website. I also have created a Facebook account set up for NACONA. I will need to add some other people as admin at some point so that we have multiple people in there that can have access to in the spirit of continuity and rotation.

We have all of the items to put in the registration packets. I kinda want to wait to get the printed programs done before we do the assembly but would like feedback from other people if we should just hand those out at the table or if we should include them. I think the cost came out to roughly \$3.50 per person, so I think we got some great stuff for a reasonable price.

Not much else is going on over here. I have worked with Adriana to get the flyers created and posted for the upcoming events. I forgot to get some more printed when I was at work, but I will bring some Yavapai Area tomorrow. We have been announcing and sharing as much as possible on social groups, websites, email, etc. to try to get the word out to more members.

Not much else for Arts & Graphics right now. Just getting excited and ready for this amazing event!

Registration numbers from the event:

- Total Registrations: 49 (2 more since the last meeting)
- Total Newcomer Registration: 1
- Total Banquet: 48
 - Steak: 11
 - Chicken: 8
 - Fish: 7
 - Veggie: 6
 - Breakfast: 16
- Total Entertainment: 44
 - Karaoke: 20
 - Masquerade Ball: 24
