### NACONA IV – Chair Report – Moina

written report –  
Chair report  
Good morning convention committee.

Not much to report. This is our last meeting before the event, I trust everyone has everything that they need for their subcommittees.

There was some discussion in reference to meals for the banquet and Sunday morning brunch I'll let Barb talk about that.

I received a phone call on Wednesday from an NA member in snowflake AZ stating that they did not have any flyers for the convention or information in their part of town. I guess snowflake is a little more isolated and 45 minutes away from show low Arizona. I know that we took shirts to show low we took flyers to show low we even took QR codes for people to register.

I received a text message from another NA member; Randall Longcore is his name. He informed me that he purchased tickets for three meals and two karaoke but will not be able to attend. Is asking to give my meal tickets to Kevin our sound guy in the karaoke to anyone at the convention.

I also had a conversation with someone from Royal about having clients come to the convention. They are looking the column for Saturday only. She reported that there will be 16 people coming from that treatment center will have less than 30 days and there will be some people coming from their IOP program and most of them will have less than 90 days. They will be paying at the registration desk on Saturday.

I reserved the Arizona room for 30 people on Thursday. I hope everyone has a chance to read the menu.

I will need to check in with all committee members on needs and issues.

In Loving service

Moina B.
